

BINGO

Includes:

- 100 card Bingo deck
- Caller card
- 12 bingo game cards

8th 100 Fry Sight Words

HOW TO PLAY:

1. Designate a caller.
2. The caller shuffles the bingo deck, which consists of 100 cards covering the 8th 100 Fry Sight Words.
3. The caller puts the shuffled bingo deck face down, flips over the top card and calls out the word on the card. The caller then covers that word on the bingo caller's card.
4. Players cover all called words that appear on their boards. Players can play a board on their own or with a partner. Playing with a partner works well for students that are still learning their 8th 100 Fry Sight Words.
5. If a player covers 5 words in row (vertical, horizontal or diagonal) on their board, that player yells out Bingo and is the winner! The caller confirms that the player has Bingo by checking their covered words against the covered words on the bingo caller's card.

OPTIONS FOR CALLER:

A teacher, a student aided by a teacher or a student that is already fluent in the 8th 100 Fry Sight Words can act as the caller. If a teacher is the caller, the teacher can either read each word out loud or call on a student to read each word. We have included bingo decks in two different card-sizes. The larger, half-page size works well in a big group setting where the caller holds up the card and calls on a student to read it.

MATERIALS:

We recommend printing these materials on cardstock and laminating for durability. Players can use erasable markers, pennies or small plastic markers to cover words.
